Sun, fresh air and healthy exercise at a recent game between two of our local Minor Hockey teams.

## KEEP THEM OUT OF HOT WATER - KEEP THEM ON ICE

This week is Minor Hockey Week all over Canada. We would like to express our thanks to all those adults in St. Albert who are donating their time and effort to keep our boys out of hot water and keep them on ice. Hockey is one of the healthiest sports in Canada. It keeps the boys in first class physical condition and also teaches them team spirit, which will stand them in good stead for all their lives.

We know that the St. Albert Minor Hockey League is having financial troubles, so we urge everyone interested in hockey to help support them financially. Even the smallest donation is welcome. For more information phone Jim Byrne 599-7074.

## CONGRATULATIONS

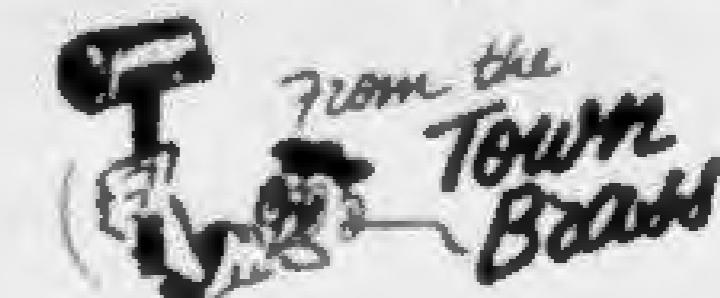

We would like to congratulate our Fire Department, and especially our Fire Chief, Mr. Tataranto, for their outstanding success in the recent national competition. Elsewhere you will find the awards won by our Fire Department. It is good to know that we have in our town such excellent volunteer fire fighters. Most of us don't realize how much time is involved in keeping up to date with the modern fire prevention techniques, and we are glad that this continuous practice is in the good hands of Fred Tataranto. We wish him all the success in the further development of his Fire Department.

## ST. ALBERT LIBRARY

Monday night Chairman Mr. Sopravich of the St. Albert Library Board brought their annual report to the Town Council. This 1963 report showed a tremendous increase in membership over the past year. A year ago there were about 350 books borrowed per week and now over 500 are borrowed weekly.

The Library Board should be thanked for the fine job that they have done over the past year, and especially, Mr. Sopravich, whose term of office was completed, but who at the request of Council, agreed to continue as chairman for another year. This will ensure that our town library is in capable hands. Our thanks go also to our Librarian, Mrs. Johnston, who runs our library most efficiently.

Mr. Sopravich pointed out in his report that many books are not being returned, and already our library has lost \$800 worth of books. We would like to call upon all parents and all library borrowers to check around their homes for overdue library books, because we cannot afford to lose money in this manner.

### Council Meeting, February 27, 1964

Councillor Dick Fowler took over the chair in the absence of Mayor Veness and did it most efficiently.

Jasper Auto Parts Council's patience has come to an end. A motion from Councillor Wheating asked that the Town Solicitor send a letter to Jasper Auto Part giving them 30 days to clean up the mess of wrecked cars along #2 highway.

Fire Call Phone Number Watch your water bills and the Gazette. Council has decided to change the Fire Call number to 599-7777, commencing March 15th.

Parking - McKinney Ave. Council agreed that parking on McKinney Ave. is a hazard and that in future it will be illegal.

Garbage Bags - Polythelene Bag Canada Ltd. gave to each councillor a sample disposable garbage "poly" bag. Several cities in Alberta are trying these bags and there will also be a trial in St. Albert in the row house area. Council made it clear that they don't wish to be involved in any private business, but if these new disposable garbage bags are to be used, Council will have to change the Garbage By-law, which only provides for the use of Tin garbage cans. If the trial is satisfactory and the bylaw changed, our local hardware stores will act as distributors.

Bus stops On the suggestion of Councillor Wheating, Council decided to clean all the bus stops from snow, dirt, etc for the convenience of the public.

Due to a full agenda again, Council adjourned the meeting till next Monday.

### FIRE PREVENTION

The St. Albert Fire Department has won an award, certificate of merit for outstanding performance in fire prevention. They placed first in their class (population 5,000 to 9,000) in the Province of Alberta; they received Honourable Mention for municipalities (pop. 5-9,000) in all of Canada; and placed 22nd out of 511 entries in all classes and sizes of towns and cities.

The only place in all of Alberta to rank higher was the City of Calgary.

### RECREATION BOARD

At a recent meeting of the Recreation Board, it was decided to recommend to Council that Mr. Brian Jolley be given financial assistance in order to provide equipment for the promotion of amateur boxing in St. Albert. Mr. Jolley has been instructing a few boys in his own home, but now finds that these quarters are too small for the large number of boys who are interested in participating in this form of recreation. He will endeavor to obtain suitable premises in which to conduct his classes, but needs help from the Recreation Board in obtaining equipment such as gloves, a punching bag, head gear and skipping ropes. The operation of playgrounds for the summer of 1964 was considered and a recommendation was made to Council in regard to this activity. More information on this matter will be published after Council has given the approval.

The Northern Zone of the Alberta Recreation Association will hold its meeting in St. Albert on Thursday, January 23. The meeting will commence in the Fire Hall at 7:30 a.m. at which the Mayor will welcome the delegates to the Town. At 1:30 p.m. the delegates will be taken on a tour of the town, after which they will resume their business meeting at the Fire Hall.

The next regular meeting of the Recreation Board will be held on Friday, January 24 at 8 p.m. in the Fire Hall. The general public are welcome to attend these meetings.

## The Party Line

Temporary help is needed for one of our brownie packs. The job is for 3 months and means 2 hours weekly from 6 to 8 p.m. at Vital Grandin School. No special skills or experience is needed. The work is more than rewarding, in fact is more often good fun than work. Who knows, after a 3 month trial you might like to stay on permanently. There is always a need for leaders for the very worthwhile work of brownies and guides. This is a perfect opportunity to "try it on for size". Phone Mrs. Joan Brunner 599-6567.

We are having a little more success with entries for "Rose of the week", but we are not swamped, which is what we'd like. Isn't there a lady you know that deserves this small token of recognition? It's your duty to see we're informed! Send her name and a sketch of her community work, including a few personal insights and where possible, a photograph. During my three month absence beginning February 1st, Mrs. Joanne Peterson will receive Club Notes, Social News, Rose of the Week nominees, etc. Phone her at 599-6730.

## CLUB NOTES

**Attention Lady Curlers.** February 1st is the last day for submission of entries for the forthcoming Annual St. Albert Ladies Bonspiel. Don't delay. Get your entries in now. Send them to Mrs. T. Taylor, Box 1442, St. Albert.

The January meeting of S.A.C. featured "Fabrics and Their Care". The guest speaker was Mr. Gilibrand of Gilibrand Fabrics. Assisted by Mrs. Gilibrand, his most interesting talk was illustrated with a beautiful display of over European imported fabrics. He stressed the importance and good economy of the better quality materials. Benefiting from this informative address were the S.A.C.'s special guests, the Women's Institute members.

During "coffee", enquiries and advice from Mr. Gilibrand personally, were of special help to all present. Everyone left a wiser consumer.

Anyone interested in S.A.C., either actively or inactively, is invited to call Kathryn Neas 599-6716 for information or membership.

The *Burns Bush Society* of the Presbyterian Congregation will hold their regular monthly meeting, Monday, February 3 at the home of Mrs. Margaret Fraser, 82 Unilux Ave. All Presbyterian ladies are cordially invited to attend.

The Father League Chapter of the L.D.D.B. met Monday at the home of Mrs. Diane Sandomirsky, 59 Geneva Cres.

The Chapter also plans for a cook house at Jeffway February 14th. It was decided to be primarily a pie sale. Mrs. Wilkie Petrie will convene the project.

Plans for participation in the municipal chapter's annual bazaar were made. Two doilies and a wardrobe will be raffled and a table of old clothes and accessories will be one of the chapter's fall projects.

Education calendars for placing in some local classrooms were shown to members. Nominations for the 1964 executive were held and several officers were elected by acclamation. Elections for the remaining offices will take place at the February meeting.

The chapter's next meeting will be Monday, February 24th at the home of Mrs. G.L. Gies, 77 Grandeur Cres.

## ST. ALBERT ON STURGEON PLAYERS

The St. Albert on Sturgeon Players had their regular monthly meeting January 26. Over the weekend, construction began on their room in the basement of the Community Hall. Although much work remains to be done, the dream of a club room of their own will soon be a reality. Applications were asked to be turned in to the executive by February 24 from all teenage members of St. Albert on Sturgeon Players who are interested in the Old Drama Seminar Scholarship. One teenager will be chosen and sponsored by the St. Albert on Sturgeon Players to apply for admission to the seminar this summer. For further information please phone 599-6348 or 599-7136.

Rehearsals have begun on the spring production "You Can't Take It With You". There are still two interesting male parts available in this delightful comedy. If you are interested in any aspect of drama and would like to contribute to this production, please notify Carine Adams at 599-7959.

## FILM SOCIETY

### Sunday and Cybelle

A movie of extraordinary simplicity and charm, seems like poetry. If you haven't seen this French picture which won the 1963 Foreign Film Oscar, you owe yourself a treat. Both Old and New Wave, this work of 31 year old director, George Bourguignon, combines polished, not slick, dash cinema technique, with an attempt to convey sensation in an almost tactile way. In subdued tones as befit the setting - France in autumn and winter - it details the delicate childlike affair between a girl of 11, left in an orphanage by her father, and an ex-war pilot who cannot recall his past.

See this next Wednesday, February 5, 8:30 p.m. in Sir Alexander Mackenzie School.

## St. Albert Community League

The St. Albert & District Community League recently held their Annual Meeting in the Community Hall. At this time elections were held. Following is a list of the executive for 1964.

President - Ivan Brewster, 1st vice president - H. Terrell, 2nd vice president L. Randall. Directors elected to serve a 1 year term are Andy Sampson and C. Dixon. To serve a 2 year term Don Monroe, E. Rousset, George Goettart, Doug Ingles and Chris Dated.

## REVOLUTION

The TRI-O-TEEN CLUB is on the threshold of a revolution! They are up in arms over the lack of support by the town of St. Albert. They have noticed due to the extreme deficiency of recreational facilities for the town of St. Albert,

they will be using as recreation ping-pong, darts, chess and checkers, cards, records and other indoor activities. Investigating at the rear will be a revised constitution, better strategy when planning forthcoming events, and the going along with a lot of needless parliamentary bickering. The club intends to review, reorganize and re-organize. The spearhead of the attack will be launched on 1st February with a slogan ride for members (who will be allowed one guest each) and followed up on 3rd February with a re-organization meeting.

They desperately need reinforcements and recruits with some new tactics and ideas any volunteers?

P.S. Anyone having any suitable indoor games are asked if they wouldn't mind bringing them down to the club at regular meetings.

I sincerely endorse the Tri-O-Teen Club which is sponsored by the St. Albert Community League, in their forthcoming efforts to re-organize and develop their club.

I humbly request their parents and all those friends to help them all they can in making this club an important part of a recreation program for the young people of this age group.

With my best wishes for their success.

I remain,

E. J. Veness, Mayor.

## A.S.T.A.

Dr. Arthur Kratzman, Executive Director of the Alberta School Trustees Association, attended the last meeting of the Protestant Separate School Board.

Mr. R. Harvey, Chairman of the Board, welcomed Dr. Kratzman and expressed the appreciation of our Board for the co-operation and assistance received from the Trustees Association, best illustrated by Dr. Kratzman's presence.

Dr. Kratzman spent some considerable time discussing progress which the Trustees' Association has made with the Provincial Cabinet on such matters as the appointment of a provincial director of school librarians, the training of speech therapists, school finance under the Foundation Programme, federal taxes on educational materials, teacher internship programme support, periods of teacher education, collective bargaining and local autonomy for the approval or disapproval of school holidays.

## "AT HOME"

Well over one hundred guests, including a number from Edmonton, attended the "at home" which marked the opening of the new administration building of the St. Albert Protestant Separate School Board. Guests were received by staff or Board members through the new building, following which they enjoyed coffee and a social hour in the Board Room.

Among the out of town guests were Dr. & Mrs. A. Kratzman, Mr. & Mrs. A. Wilson, Dr. J. W. Thackeray, Mr. & Mrs. T. Koen, Miss Ann Hall and Mr. & Mrs. J. C. Kauffman. Dr. Kratzman is Executive Director of the Alberta School Trustees' Association, and Mr. Wilson is its Assistant Secretary. Dr. Thackeray, Director of School Administration for the Department of Education, is well known in St. Albert particularly having officiated at several functions in connection with the schools in our town. Mr. Koen is secretary of the Alberta Public School Board and Miss Hall is on its staff. Miss Kauffman is a member of the staff of the St. Albert Elkhorn Institute of Technology. Other welcome guests included Mr. Vicki McAllister, Superintendent of the St. Albert Public School District, and Mr. George Lee, the head of St. Albert Public Schools, Inc.

The new building, containing 10,000 square feet of floor space, has been leased for 10 years to provide positive addition of a second storey to their present extension.

It contains offices for Mr. Armstrong, the Secretary-Treasurer, Dr. Bradford, the District's Superintendent of Schools, reception accommodations for the secretarial staff, and an Executive Board Room, all on the main level. A Bookkeeper's office, micrographing and storage rooms, staff room, lavatories and furnace room are housed on the lower level. Decoration and furnishing of the building is very pleasing, as is the architectural style of the structure itself. It proves very well the point that a building may be both modern, functional, and attractive. The many who visited it during the "at home" certainly appeared in agreement, as very favorable comments were heard.

Architect was Mr. Blane Frost, of St. Albert and General contractor was Burns Construction, also of St. Albert. Claude Electric were sub-contractors as was Dick's Plumbing and Heating. All-in-all it was a totally St. Albert undertaking and one of which the town and School District may be justly proud.

Wright, sang "Turn Back O Man". Dr. Schwarz used Matthew 3:1-10, 15-14 and 27-31 as his text and spoke on the theme "Jesus" Revelation to the Believers?

## MINOR HOCKEY LEAGUE

This organization was formed in the fall of 1963 under the Directorship of H.G. Govenlock. At this meeting, a committee consisting of John Arundel, Rudy Scheibehofer, Roger Gelanis, Barry Welsh and Jim Byrne was formed.

These men are drawing on local citizens for support to manage and coach the various teams in the league. The co-operation has been wonderful so far. Enough thanks cannot be given for the unselfish support of these community minded men. Several local businessmen and individuals have donated money and equipment to aid in this project. It is felt that as the aims and objectives of this organization becomes better known, more support will be forthcoming.

It should be realized that this is an infant organization and will encounter growing pains. However, its long range plans are to provide maximum facilities and guidance to our young people in helping them develop their hockey ability.

Our appeal is simply this, encourage your children to play Canada's national sport.

DON'T JUST SEND THEM TAKE THEM.

P.S. We wish to thank the help and co-operation of our St. Albert Gazette and the coach/managers: Mr. Erling Winquist Mr. A. Gauthier, Mr. Frank Turek, Mr. Donald Keith, Mr. John Doran and Mr. Bill Greenhalgh.

Jim Byrne.
